Film Titles

July 8th - "BERNSTEIN—LARGER THAN LIFE"

This recently released documentary explores Leonard Bernstein's various facets, as a conductor, a composer, a pianist and most of all a teacher and how he influenced so many people. It includes interviews of his children, former conductor students, orchestra members, collaborators and other acquaintances.

It is the 100th anniversary of the birth of Leonard Bernstein. He was one of the first world-famous American-born conductors and composers.

His best known works include the musicals "On the Town", "Candide and "West Side Story". His religious themed works show his struggle with his Jewish heritage and universal questions of faith.

We also hope to have a short live concert of some of Bernstein's compositions.

July 15th - "DOUGH"

July 29th - "G.I. JEWS: Jewish Americans in World War II"

August 5th - "SNOW IN AUGUST"
