## Exploring The Talmud Through Its Stories

The Talmud contains hundreds of stories about rabbinic sages and other historical figures who lived during the late second temple and rabbinic periods. The stories are literary rather than historical accounts. We will be exploring selected Talmud Tales to gain an understanding of the human dimensions of the text along with a goal of incorporating their values in our own lives.

Rabbi David Goldstein will be teaching this class.

Classes will be held on Wednesday evenings at 7pm March 13, 27 and April 3 - Signer Board Room - No Charge
