## Exploring The Talmud Through It's Stories

The Talmud contains hundreds of stories about rabbinic sages and other historical figures who lived during the late second temple and rabbinic periods. The stories are literary rather than historical accounts. We will be exploring selected Talmud Tales to gain an understanding of the human dimensions of the text along with a goal of incorporating their values in our own lives.

Classes will be held on Wednesday evenings at 7pm April 3 and April 10 - Signer Board Room - No Charge

**NOTE: The class originally scheduled on March 27th has been re-scheduled to April 10th. There will not be a class on March 27th.**
